SECTION 4: YOUR AGREEMENT WITH TAOMASSAGE

ASHIATSU ORIENTAL BAR THERAPYTM: This letter is to express and explain that you are about to receive Ashiatsu Oriental Bar Therapy (AOBT), a deep tissue technique that is designed for persons who have a firm diagnosis of chronic low back pain. Clients that are thick muscled and weigh over 200 pounds are best suited for two-footed strokes. Although some clients ask for deeper compression, we prefer to keep the compression at a therapeutic level that we feel comfortable with. Your comfort is our number one concern! If you request more compression on a higher level than that of the therapeutic range we deliver, we will not be held responsible for aggravating a condition that may already be present.

Due to the serious nature of this technique, we would appreciate that you understand that should you experience pain, stiffness, soreness, skin irritations, marks, headaches, sinus congestion, bruises or any injury or condition following AOBT, that you do not hold the modality, massage therapist or the company liable.

Due to the compressive nature of AOBT the following conditions are contraindicated:

- pregnant or trying to get pregnant •varicose veins
 - osteoporosis •heart conditions
- recent eye surgery (within 72 hours) •cancer

The Ashi DOs & DONTs following an AOBT session have been fully explained to me and I understand that it is my responsibility to take proper care of myself following this session as recommended above.

CLIENT INITIALS

acute back pain

•breast implants within 9 months

FLOAT: I attest that I am free of infectious skin diseases; I do not suffer from medical or physical conditions that are affected by restricted environmental stimulation therapy, I am not under the influence of drugs or alcohol.

CLIENT INITIALS

Please read the following statement carefully, then sign below.

I understand fully that massage therapy is not a substitute for medical examinations and/or diagnosis and that it is recommended that I see a physician for any physical ailment I may have. Because a massage therapist must be made aware of any existing physical conditions, I have stated all known medical conditions and take it upon myself to keep my therapist updated on my physical health.

I understand and accept that I may experience bruising, stiffness and/or soreness following receiving services from TaoMassage.

I understand that if I have indicated that I weigh 350lbs of more, I will not hold the modality, massage therapist or the company liable for any equipment failure.

I understand and have read the TaoMassage office policy and understand that payment is due at the time of treatment. I agree to give 24 hours notice of cancellation of appointment. If less than 24 hours given I agree to pay for the missed scheduled session. Cases of extreme emergency are considered exceptions.

I understand that any illicit or sexually aggressive remarks, advances or gestures made by me will result in the immediate termination of the session, and I will be liable for payment of the scheduled appointment.

FOR YOUR INFORMATION: The following sometimes occurs during massage, they are normal responses to relaxation/massage. Trust your body to express what it needs to: need to move or change positions, sighing, yawning, change in breathing, stomach gurgling, energy shifts emotional feelings and/or expression, movement of intestinal gas, falling asleep, memories, needing to urinate

I have carefully read and understand all of the above and I have answered all questions fully and accurately.
